LINDSAY ELEMENTARY

## From Our Principal –

Happy New Year! I hope that you and your family enjoyed the time off and were able to relax and spend time together. Each new year brings resolutions for individuals to grow and better themselves. We will be working with our students on setting resolutions/goals for their learning for the remainder of the school year. We would like to see our students set high expectations for themselves and help them achieve those expectations. I would encourage you to support your child as they work toward those expectations. You can do that by reading with your child, practicing math facts, and helping with their homework, just to name a few. We look forward to a year of learning and lots of goals being met!

JANUARY, 2017

Bay City Public School District Elementary students enjoy about 15- 20 minutes of outdoor recess time each day during their lunch period. Students will continue to go outdoors during the winter months so coming to school prepared with the right clothes, gloves, hats and boots for the outdoor weather is very important. Students will not go outdoors if the temperature outside dips below 10 degrees, this includes the wind chill. Please ensure your child has cold weather wear for recess outdoors each school day.

MARK YOUR CALENDARS FOR FEBRUARY 8<sup>TH</sup>!
