

# Lindsay School Supply Lists for 2013-2014

Notes: Please note that we appreciate any level of support you can provide, but purchasing these items for your child is **not mandatory**. All supplies will be donated to your child's classroom community. Therefore, it is not necessary to write your child's names on the items. All students will also need an over-sized t-shirt to protect their everyday clothing during art. Thank you.
