LINDSAY ELEMENTARY

From Our Principal –

Welcome back to the 2016-2017 school year. We are looking forward to a year of fun and learning. This year at Lindsay we will be focusing on two things: First, our students will be taking a new assessment three times a year called the NWEA. This assessment will measure each child's present level of achievement in the fall, then determine the growth they should make this school year. When students take the test at the end of the year, we will be looking for each student to have made at least one year of growth. You will be getting results given to you after each assessment period. If you have questions about the results or your child's progress please don't hesitate to talk to your child's teacher. Second, we will be focusing on offering opportunities for our students after school and parent involvement activities. The YMCA partners with Bay City Schools to offer flag football and basketball for elementary students. We will also be offering after school tutoring, clubs, and other fun opportunities. We hope that your child(ren) will take part in all the things we have to offer.

The key to a successful education is good communication, please don't hesitate to speak with your child's teacher about their education. –Mrs. Ball, Principal

IMPORTANT SKYWARD INFORMATION ~

Skyward is the Bay City Public Schools on-line student data base and it can be accessed by parents through internet or a cell phone application. Attendance, academic grade books / progress reports and messages from your child's classroom teacher(s) can be viewed on Skyward. All you need is an email address to have access to academic and attendance information for your child(ren), receive messages from your child(ren)'s classroom teacher(s), school newsletters or other school community related information.

If you are not already able to access Skyward, or you forgot your password, please contact our school office, confirm or provide an email address and a Skyward account user email will be sent to your email address. Once you login you will be prompted to change your password and you can then begin using Skyward.

INTRODUCING ~

Hello!

I am so happy to have joined the Lindsay staff as a School Service Worker. I recently graduated from Adrian College in Adrian, MI. While I attended college, I also worked as a Campus Safety Officer for Adrian College, and a Reserve Police Officer for the Adrian Police Department. I am eager to build positive relationships with the students (as well as their families) and watch them grow and move on through school. I am looking forward to a great school year. Please don't hesitate to call or email me with any questions or concerns! -Jacob Garcia
