Hello Lindsay Families!

We are so glad to have everyone back with us! It's been a great first couple weeks. Hopefully your students are feeling the same. The teachers have lots of fun activities and learning opportunities for your kids this year. Please know that the classes will be NWEA testing. They will do this in the Fall, Winter, and Spring to check in on how your student is growing academically. Make sure that they are getting a good night's rest so that they may always be at their best. If you have any questions for me know that I am always available to you. We look forward to continuing a great 2018-19.

Sincerely,

Mr. Phelps
